Quotation Marks for Dialogue

Use quotation marks around the exact words someone says when they are speaking.

If the dialogue tag comes at the beginning of the sentence, include a comma before the quotation.

example: Avery said, “Look at that giant tree.”

If the dialogue tag comes at the end of the sentence, use a comma instead of a period to end the quotation.

example: "I am very tired right now," William said as he yawned.

Rewrite each sentence. Add quotation marks and commas where they are needed.

1. I can’t find my keys anywhere Owen whined.

2. Diego yelled I’m on my way down,

3. I am sorry I broke your lamp Kris mumbled.

4. Isabella said this is the best book I’ve ever read.
